

Blockley WI June2011

Gentle Tai Chi movements, done standing or sitting, proved relaxing both physically and mentally for Blockley WI members at their June meeting at St George's Hall.

The taster session was led by speaker and instructor Val Nicholson from Moreton-in-Marsh who proved enthusiastic and knowledgeable and enticed everyone to take part. She was thanked by Polly Asher.

Vice-president Viola Stubbs presided at the meeting as president Janet Jarvis was away.

Members enjoyed a coffee and get-together at the annual visit to the village shop/cafe on May 16.

The next meeting is on July 7 when skincare comes to the fore with Strawberries and Cream Complexions. The speaker will be Samantha Jeffrey, a young Clarins-trained beautician. This is an open meeting when visitors are welcome. The meeting starts at 7.30pm with a short business session.

July 21 is the date set for the visit to Blockley by twin institute Ipstones WI from North Staffordshire. Ideas for entertaining them include coffee at the village shop/cafe, lunch at the Jubilee Hall, a Mitford walk (on the level) at Batsford, and afterwards tea and cakes at the home of the president.

Further details from Janet Jarvis on 01608 650665
